

T H E PEER LEADER REVIEW

What have YOU been up to?

August 2008

- Ropes Course Gordon College
- Peer Leaders hosted a ropes course for 10th graders. The day started out a little soggy, but in the end God provided great weather for our outdoor adventures.

If you missed out on this trip look forward to our next climbing adventures. We are looking into indoor courses after the first of the year. Contact us for more information.

Mission Statement:

To grow in faith, individually, and as a group, through prayer, mentoring and service to the community, while in the company of friends.

July 2008

- Harbor Cruise in Boston Harbor
- As in past years, the Peer Leaders attended the Harbor Cruise hosted by the Archdiocese. This year teens from Marguerite D'Youville joined us.

Think about joining us next July.

What's next?
